

Food Journey with yr 7 at St Katherine's School in Pill, North Somerset September 2009. Students found 'clues' hidden in Pill Community Orchard and brought them to storyteller Jane Flood who told a range of stories drawn from world mythology about apples. The children picked apples and later prepared them to be cooked into apple cakes. Project coordinated by Local Journeys cic and sponsored by Find Your Talent, Quartet Community Foundation, North Somerset Arts Week, Easton-in-Gordano, Pill and Ham Green Community Forum & the Cooperative Society www.localjourneys.org.uk
