

Food Journey with yr 7 at St Katherine's School in Pill, North Somerset – September 2009. Students visited the Penny Brrohn Centre where chef Oliver Hunter explained the importance of good nutrition – they sampled naturally sweetened drinks and snacks as well as examining vegetables and herbs. The students also visited Chapel Pill Farm's organic dairy herd – Nick Baker of Alvis Brothers explained about milk production and cheese making. The students were then given organic cheese made from the local milk to taste. Project coordinated by Local Journeys cic and sponsored by Find Your Talent, Quartet Community Foundation, North Somerset Arts Week, Easton-in-Gordano, Pill and Ham Green Community Forum & the Cooperative Society www.localjourneys.org.uk
